Delivery & Set-Up

- Some of our hire options require access to power.
- Coffee machines require a 15amp outlet. All other equipment requires a 10amp outlet.
- Our coffee machines will need at least 30 minutes to warm up and be ready for service.
- Set up times can vary from 30 minutes to one hour.
- We require level ground for set-up of our equipment.

- We do not hire out our equipment without a staff member. All of our hire services come fully staffed and stocked.
- To secure a booking we require a 50% deposit prior to the event with the balance payment made C.O.D.

South American Food Catering is also available from our El Capo Food Truck
